# Class Descriptions

**Aqua Boot Camp:** Deep or shallow, unleash your inner athlete in this fast-paced interval workout that will get your heart pumping and leave your muscles aching for more.

**Be Strong:** Using a variety of movements and varied resistance exercises to improve strength, flexibility, posture, balance, and body awareness. This is a great class for those with osteoporosis.

**Begin Again Yoga:** Yoga isn't for everyone but it's open to anyone. It's not just the poses that ease stress but you might find comfort just spending time around like-minded people.

**Pilates Mat:** Move beyond the basics with more advanced exercises and at a faster pace. Previous Pilates experience is strongly recommended.

**Pilates Reformer:** Improve spatial awareness, balance, whole-body strength, and flexibility with Pilates reformer exercises. Previous Pilates Reformer experience is strongly recommended.

**Sense of Balance:** Looking to improve your balance? Research shows that balance exercises for seniors can significantly reduce the risk of falls. Join this class to get training!

**Taekwondo:** Ram's Taekwondo teaches YW's Taekwondo classes. Our vision is to empower the community members: we provide healthy physical activity with teachings of respect and mental discipline to overcome difficult tasks. Classes may be mixed with youth and adults.

**Women on Weights:** Group training designed especially for women. Participants learn the most effective ways to tone muscles, how to incorporate free weights into a strength training routine & how to create an efficient, safe weight training program.
