Class Descriptions

Barbell Strength: Get your morning and week started right. This class incorporates barbells and free weights into a more traditional strength-based workout. Available to all levels of fitness.

Boxing for Beginners

Boxing starts by putting the foundation blocks in place, learning how to move, and doing beginner drills. This is where you learn how to move yourself, and certain areas of your body. Once you can do this, we look at distance, timing, and then working with a partner without getting hit. This class is for Adults (18+ and Seniors).

Dance Party: Rev up the energy in this 60-minute dance workout. Great music and easy routines make it fun for people of all level and abilities.

TaiChi: is comprised of easy-to-learn, modified Tai Chi forms aimed at improving well-being. Low-impact movements are practiced in a slow, flowing sequence to progress strength, balance, and focus. Chair support is offered to facilitate standing stability and seated exercise options.

Forever Fit: Designed for ages 55+, this low-impact class incorporates aerobics, strength training, core conditioning and stretching.

SilverSneakers® Classic: Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. SilverSneakers® Yoga: Move your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of seated and standing postures designed to increase flexibility, balance, and range of movement.
