Class Descriptions

Aqua Boot Camp: Deep or shallow, unleash your inner athlete in this fast-paced interval workout that will get your heart pumping and leave your muscles aching for more.

Be Strong: Using a variety of movements and varied resistance exercises to improve strength, flexibility, posture, balance, and body awareness. This is a great class for those with osteoporosis.

Pilates Mat: Move beyond the basics with more advanced exercises and at a faster pace. Previous Pilates experience is strongly recommended.

Pilates Reformer: Improve spatial awareness, balance, whole-body strength, and flexibility with Pilates reformer exercises. Previous Pilates Reformer experience is strongly recommended.

Women on Weights: Group training designed especially for women. Participants learn the most effective ways to tone muscles, how to incorporate free weights into a strength training routine & how to create an efficient, safe weight training program.
